

Haringey VANGUARD

The BAME LGBTQ+ History Project

WERE YOU THERE? ARE YOU INTERESTED IN BAME LGBTQ+ HISTORY?

Help us build on the work of the BAME LGBTQ+ community members who have set out to reveal, collect and share the story of radical activism in Haringey during the 1970s-1990s.

If you have stories to share there will be lots of opportunities for people of all ages to get involved, including:

- **Volunteering.** Volunteers will get training in oral history techniques, digitisation, archive skills and website and exhibition design.
- **Participating in events.** There will be a rich programme of events including talks, conferences, special cultural events and film screenings. These will take place in Haringey and other locations.
- **Creative activities.** Contributing to making the website, an exhibition at Bruce Castle Museum and writing articles for the blog
